Samantha Ducloux Waltz How To Write and Market Personal Stories

Tell your story. Draw the reader in. Paint a world with words. In this two-hour writing workshop, you'll have the opportunity to pull up a story from within, begin to polish it, and consider places to submit it. So bring a pen, a story idea and your passion for writing. The power of your own words will surprise you.

Samantha Ducloux Waltz, an award-winning author, currently has more than forty stories in anthologies including the best selling series *Chicken Soup for the Soul* and *A Cup of Comfort*.
